Welcome Fall!!!! No cool or colors yet, but it is named fall and we are excited!!! We are looking Forward to all of Cassidy's oldies but goodies and new ideas that she is cooking for us for fall and Winter. Some people may think winter is just cold and boring, BUT NOT HERE!!! Be sure to check Your newsletter for what's coming up. Remember we are also online, so you are up to date.

Old timer's day was a great success for all of us. We had our wonderful Vets on our Hometown Heroes float in the big parade. We also had a great time working hard on the goodies and crafts To sell. You may not call the work hard exactly, with so many of us sitting around the craft tables likethe2 Sherrys, Cathy, Mary Lee, 2 Dianes, and sweet Beth. (If I left anyone out, please forgive). Of course, there were many that did their beautiful crafts at home like Leah, Doris, Mary Jane, and Joyce. But here there were a lot of laughing and picking on each other. We glued our fingers together, many times had more paint on us than the crafts. But it was all a lot of fun. *we will also be selling some of these at the annual garage sale in Oct. It's all good.

This month was the startup of our bowling leagues. From what we are hearing it's going to be a Fight to the finish! Not only do they want to win the tournament, they want to win "king of the Hill" in their own teams. Competition is good for winning. The noise level is in the danger level!

So thankful we have Peggy with Bill's assistance to lead our sing-a-longs. We love the old hymns. We also know a lot of the "Rock and Roll" We grew up and raised our babies with. We also knew Teenage heartaches, but now we still rock and have a lot of different aches now. But we are still Rolling together!!! Love is going out to Virginia (we know she is still blessing her brother with her Care), Ms. Mae and Geri. Our sweet Betty and Sandra are still on the mend.

Remember you don't stop having fun when you get old, you get old when you stop having fun. My friends we miss you when you are not here. Please stay safe and well. Then we will all can have fun together under God's beautiful.....BLUE SKIES. Love Diane and all your friends at LSC.
